Applicants must be enrolled in a program of study and have completed 50% of the course. Please send two letters of recommendation (one from a MAPA member\*), a 250-word essay on how your course of study will contribute to general aviation safety, and a sealed original transcript of your grades to:

**Jerry Johnson  
13308 Thornton Dr.  
Westlake, TX 76262**

\*If you do not know a MAPA member, please let us know and we will introduce you to one in your area.

**Please return all information by July of the application year for processing. Successful applicants automatically agree to photo and press release by the Mooney Safety Foundation Inc. If a student applied last year he/she must reapply again this year. All previous applicant records and applications are destroyed after a candidate has been selected and approved by the board.**
